TOWN HALL RENOVATIONS UNDERWAY

Renovations on Town Hall's 40 year old HVAC system began mid-January and will continue through the end of October 2013. In addition to a new HVAC system, the renovations include new windows, lighting, flooring and ceilings, in addition to upgrading the building's security system. In an effort to improve efficiency, many of the upgrades include energy saving components including low energy lighting, triple pane windows and integral blinds.

While work is being performed, Town Hall will continue to observe normal operating hours, Monday through Friday, 8 am to 4:30 pm. All services currently available at Town Hall will continue to be provided throughout the duration of the project.

Visitors are asked to be patient throughout the duration of the work as offices will be temporarily relocated while work is being performed in other parts of the building. In addition, meetings normally held in the Council Chambers have been moved during the month of February while the Chambers is being renovated.

TOWN OFFICES CLOSED FOR PRESIDENTS' DAY

Town offices will be closed on Monday, February 18, in observance of Presidents' Day.

Refuse will be collected as normal.

The Vienna Community Center will be open from 10 am to 3 pm; no classes or drop-ins will be held.

LAST CHANCE TO ORDER LEAF MULCH

Thursday, February 28, is the last day to order a free delivery of ground leaf mulch from the Public Works Department. To place your order, call (703) 255-6388 and leave your name, address, daytime phone number and the number of loads to be delivered. One load is estimated to be 2.5 cubic yards (equivalent to 33-34 store bought bags.) Half loads are also available. Orders may also be placed online at www.viennava.gov/index.aspx?NID=164. Please note the following important conditions:

- All mulch deliveries are based on availability of mulch.
- Mulch deliveries will be placed only in the driveway at the end closest to the house.
- Once mulch is delivered, it becomes the property of the homeowner and the Town will not remove any excess mulch ordered.

Residents may pick up mulch themselves in any amount between the hours of 9:30 am and 3:30 pm, Monday through Friday (except holidays) through March 30. The mulch is stored on Town-owned property off Beulah Road near Glyndon Park. Look for the sign, "Free Leaf Mulch."

UPCOMING COUNCIL PUBLIC HEARINGS

All public hearings are held at Town Hall, 127 Center St. S at 8 pm unless otherwise noted.

No public hearings are currently scheduled for the month of February.

Visit www.viennava.gov/index.aspx?NID=453 for up-to-date public notices.

ANNUAL FINANCIAL REPORT AVAILABLE

The Town of Vienna's Comprehensive Annual Financial Report for fiscal year ending June 30, 2012, is now available for review online at www.viennava.gov/Archive.aspx?AMID=39. It is also available for review in the Finance Department at Town Hall or can be purchased for \$5 per copy.

The report summarizes the Town's financial position and results of operations of the various funds and account groups. It also includes the Auditor's Report on FYE 2012, information on internal controls for managing and safeguarding Town assets, and selected financial and demographic information from the last ten years.

According to the report, the Town ended last fiscal year in stable financial condition. General and Debt Service funds had combined revenues of \$22,675,656, an increase of \$1,388,218, or 6.5 percent, over the previous fiscal year. The main drivers of this increase were meals taxes which rose \$235,970 or 13 percent, other local taxes which rose \$208,873 or 3.6 percent and property taxes which rose \$384,891 or 4.5 percent. The increase in other local taxes was mainly due to increases in business license taxes. The meals taxes increase was mainly due to a number of new restaurants and general increased business.

Total expenditures of the General and Debt Service funds increased by \$640,587 or 2.8 percent from last year. The increase was due to a salary increase for personnel, increased

equipment purchases in the General Fund and web site development costs.

Last year's Water and Sewer operating revenues were down by \$6,066 or 0.1 percent, to end the year at \$6,065,317, primarily due to a 3.8 percent decrease in the water rate. Operating expenses ended the year at \$6,223,267, up \$687,333 or 12.4 percent due to unexpected increases in the sewer treatment rate and increased depreciation expense over FY 2011.

General obligation debt of \$1,636,667 from issues dated 1998, 1999, 2002, 2006 and 2010 was retired during the year, bringing the total outstanding general obligation debt to \$10,543,335 at year end. This balance represented 0.3 percent of the fiscal 2012 assessed property values, well below the constitutional limit of ten percent and well within the Town's debt retirement capacity.

The Town's cash reserves were invested in U.S. Government Securities and interest-bearing deposit and cash accounts during the year. At year-end, \$23,754,915 or 92.5 percent was invested in the State's Local Government Investment Pool (LGIP) accounts. Total interest income for the year was \$38,395, down \$15,733 from the year before. The 29 percent decrease was due to continued declines in the market yields for 2012, which averaged 0.15 percent compared to 0.207 percent the year before.

TOWN ELECTION FILING DEADLINE

Tuesday, March 5, is the filing deadline for candidates in the May 7 Town election. This year, voters will elect three Town Council members for two-year terms beginning July 1. Candidates must be qualified to vote for and hold the office sought, a resident of the Commonwealth of Virginia for one year immediately preceding the election, and a resident, by the time of filing, of the Town of Vienna.

Candidates for office are required to file specific documents in order to appear on the ballot. The information packet for candidates is available at the State Board of Election's website, www.sbe.virginia.gov, or call toll-free 1-800-552-9745 and ask for the Election Services Division.

TAX-AIDE PROGRAM AT SUNTRUST BANK

The AARP Tax-Aide program is the nation's largest free, volunteer-run tax preparation service, available to low- and middle-income taxpayers with special attention to those age 60 and older. AARP Tax-Aide is administered by the AARP Foundation in cooperation with the IRS.

Tax-Aide volunteers are trained to assist with filing the 1040 form and the more standard of the schedules, including Schedules A and B. (Taxpayers with complex tax returns are advised to seek paid tax assistance.) Since 1968, AARP Tax-Aide volunteers, trained in cooperation with the Internal

Revenue Service, has helped nearly 50 million taxpayers file their tax returns each year.

From February 1 through April 15, Tax-Aide volunteers will be at SunTrust Bank, 515 Maple Ave E, Monday through Friday from 10 am to 2 pm. No appointment is required. You do not have to be retired or a member of AARP to benefit from this free program.

All tax returns will be filed electronically. All taxpayers MUST bring a government-issued picture ID and Social Security cards or other official documentation for yourself and all dependents. For more

information, call 1-888-227-7669 or visit www.aarp.org/money/taxes/aarp_taxaide.

The AARP Tax-Aide program also provides online tax counseling as a public service. AARP Tax-Aide volunteers are trained to understand individual federal tax issues, especially the provisions of the tax code that affect older people. Please limit your questions to federal taxes only. AARP Tax-Aide volunteers will review your questions, and you will receive an answer by e-mail within three to five business days. Visit www.aarp.org/money/taxes/aarp_taxaide/tax-aide-form.

FEBRUARY RECYCLING EVENTS

The following recycling opportunity is provided by Fairfax County. For more information on this event, contact Ben Boxer at (703) 324-5052 or visit www.fairfaxcounty.gov/living/recycling.

Sunday, February 24: Electric Sunday, 10 am to 3 pm, I-66 Transfer Station, 4618 West Ox Road, Fairfax

Vienna Recycling

Recycling At Northside: Recycling your car batteries, oil and antifreeze on Saturday, March 2, 8 am to 2 pm at Northside Property Yard, 600 Mill Street NE. For Town of Vienna residents only.

SEWER BACKUPS ARE EXPENSIVE; BACKUP INSURANCE IS NOT!

The Town of Vienna makes every attempt to prevent sewer backups from occurring. Sewer lines are specially designed to reduce accumulation and stoppages. In addition, a maintenance crew is devoted to inspecting and cleaning sewer lines throughout the Town on a regular basis. Degreasing chemicals are also injected into lines in areas that are prone to stoppages, such as those near restaurants and apartments. Even with this rigorous maintenance schedule; however, backups can still occur.

All insurance companies writing homeowner policies in Virginia offer special coverage for damage resulting from backups of drains and sewers, and this additional protection is available at very reasonable rates. For information on obtaining sewer backup coverage, contact your insurance company. The Town's insurance carrier rarely approves claims resulting from sewer backups unless negligence in maintaining the system can be shown. Therefore, residents are encouraged to protect their property by obtaining sewer backup insurance.

TOWN HALL RENOVATIONS IMPACT *(Continued from front page)*

Financial Services Relocated

Throughout the duration of the project, all financial services including water and sewer bills and customer service, dog licenses, vehicle licenses, business licenses, meals taxes, parking tickets and all other cashier services will be located in a temporary facility behind Town Hall.

The current Finance space located on the first floor of Town Hall will serve as swing space and house services that are being impacted due to work occurring in other parts of the building. Temporary signage will be used to indicate the location of temporary workspace of impacted departments.

Construction Schedule

The work will be completed in phases and is approximately scheduled as follows:

- January - May: Phase I - Renovation of Town Council Chambers and 2nd floor offices

- May - August: Phase II - Renovation of 1st floor offices
- August - October: Phase III - Renovation of lower level offices

Council Chamber February Meeting Schedule

While the Chambers is undergoing renovations, Town Council meetings and court will be held as scheduled in the Chambers. All other boards and commission meetings will be moved to off-site locations for February. All meetings will remain open to the public and will be held at their regularly scheduled time unless otherwise indicated.

- 2/5: Windover Heights Board of Review – Community Center Auditorium, 7:30 pm
- 2/13: Planning Commission – Flame Room, VVFD
- 2/14: Town/Business Liaison Committee – Flame Room, VVFD, 7 pm

- 2/20: Board of Zoning Appeals – Flame Room, VVFD
- 2/20: Board of Architectural Review – Flame Room, VVFD, 6:30 pm
- 2/26: Transportation Safety Commission – Community Center, R123
- 2/27: Planning Commission – CANCELLED
- 2/28: Community Enhancement Commission – Town Hall Lower Level Conference Room, 7:30 pm

For specific questions related to the renovation, contact the Department of Public Works at (703) 255-6380 or jsergent@viennava.gov. For all other inquiries, contact Public Information at (703) 255-6330 or pio@viennava.gov.

RECYCLING AT NORTHSIDE: DROP OFF USED MOTOR OIL, ANTIFREEZE AND BATTERIES

The next quarterly recycling day for used motor oil, antifreeze and car batteries is Saturday, March 2 from 8 am to 2 pm at Northside Property Yard, 600 Mill Street NE (entrance at the dead end of the street). This service of the Public Works Department provides citizens a convenient and environmentally responsible way to dispose of vehicle waste products. For more information, call (703) 255-6380.

Too often, used oil is improperly poured down storm drains or into sewers. Just one quart of oil can pollute 250,000 gallons of water, releasing toxic metals such as lead, cadmium and arsenic into the environment. Recycled oil is a valuable resource that can be remanufactured into new fuels. Antifreeze, like oil, can contaminate water and should never be disposed of in drains or sewers. In addition, antifreeze stored around the house presents a great danger to children and pets; it tastes sweet but is deadly poison. Improper disposal of automobile batteries is a leading cause of lead contamination in landfills and energy recovery facilities. In Virginia it is illegal to dispose of automobile batteries with refuse.

SEEKING VOLUNTEERS: PEDESTRIAN ADVISORY COMMITTEE

The Transportation Safety Commission (TSC) is seeking interested Town residents to serve on the newly established Pedestrian Advisory Committee (PAC), a subcommittee to the TSC.

The PAC is tasked with looking at pedestrian-focused issues such as prioritizing sidewalk projects, resubmitting a new sidewalk list to the TSC for consideration and research streetlight issues along sidewalks and bike routes. The goal is to include commuters, walking enthusiasts and recreational walkers. The only requirement is you must be a Town resident.

The PAC will be active for the next two years. Interested individuals should send an email to tsc@viennava.gov.

IS YOUR ORGANIZATION ON OUR LIST?

Vienna's Public Information Office maintains a list of civic associations and community organizations that is made available to new residents and other interested citizens. The list is also used to notify organizations of Town meetings and other activities of interest to them, and in case of an emergency.

To have your organization added to the list, or to update your current listing, contact the Public Information Office, 127 Center Street S, Vienna, VA 22180 or e-mail pio@viennava.gov. Please include your organization's mailing address, contact person with phone number and, if applicable, Web site and e-mail address.

CONGRATULATIONS!

Congratulations to the following businesses who will celebrate milestone anniversaries during the month of February:

- 40 years - Vienna Endodontics
- 20 years - Vienna Valet, Inc.
- 10 years - Argent Heating and Cooling, LLC., Caffi's Florist and Gift, Inc., Codiak Consulting, Inc., Mulville Consulting Services, Panatechnica, RC Development Service, Inc. and Shani Horne, LLC.

BOARD AND COMMISSION SPOTLIGHT: PLANNING COMMISSION

The Vienna Planning Commission is a nine-member board charged by State statute with approving preliminary subdivision plats and making recommendations to the Town Council on final plats, site plan modifications, changes in zoning, amendments to the zoning ordinance and revisions to the Town's Comprehensive Plan. Commissioners also provide recommendations to the Board of Zoning Appeals on applications for conditional use permits.

In addition to multiple plan reviews, recent activities include the development of recommendations on the proposed PPEA Municipal Parking Structure at 120 Church Street NW and the 2013 update to the Comprehensive Plan.

The Vienna Planning Commission meets at 8 pm on the second and fourth Wednesdays in January through June, August and September, the second Wednesday and fourth Thursday in October and the second Wednesday in November and December. Meetings take place in the Council Chambers at Town Hall and interested citizens are invited to attend. Commission members include Chairperson Charles Anderson, Walter Basnight, Jr., Edward Chase, William Daly, Jr., Michael Gelb, Jim Hendricks, David Lanphear, Melvin McCoy and David Miller. Citizens may contact the Planning Commission through its clerk, Jennifer Murphy at (703) 255-6349 or jmurphy@viennava.gov.

Volunteer

Interested in volunteering for one of the Town's seven boards or commissions? Complete an application online at www.viennava.gov/index.aspx?nid=350. Based on your interests, education, philosophy and work experience, the Town Council may appoint you to a board or commission on which a vacancy exists. For more information on the application process, contact the Town Clerk at (703) 255-6304 or clerk@viennava.gov.

BUSINESS LICENSE RENEWAL DEADLINE: MARCH 1

Town businesses are reminded that March 1 is the deadline for payment of the annual business, professional, and occupational license (BPOL) tax. All businesses in the Town of Vienna, including home occupations, must renew their business licenses each year.

The amount of the tax is based on gross receipts, and the rate varies according to the type of business. The gross receipts threshold is \$50,000 to use the tax rate. Businesses with gross receipts of \$50,000 or less pay only the minimum license fee of \$30 per year.

License tax renewal forms were mailed at the end of January, and forms are also available in the Finance Department at Town Hall and online at www.viennava.gov. For more information or assistance in figuring license taxes, call (703) 255-6321.

VIENNA WATT WATCHERS PROGRAM

By Joanne Burke, Community Enhancement Commission

In April 2011, the Community Enhancement Commission (CEC) launched a program called the Vienna Watt Watchers. Through this program, Vienna residents can borrow a whole house energy monitor or an appliance/electronics energy monitor at the Vienna Community Center and track their current energy consumption in hopes that as a result of their findings, they will make various changes in their home and at work to reduce their energy use and live more sustainably.

During the fall of 2012, local Boy Scout Mark Logan of Troop 1978 conducted his Eagle Scout project by assisting the CEC with marketing this program. He prepared an installation guideline for the

monitors as well as enlisted fellow scouts to install them and collect data regarding home electricity use. He found that the newer Energy Star appliances use significantly less power than the older models and that when electronic devices such as the cable box, coffee maker and microwave oven are turned off they are still siphoning energy or a “phantom load”. Even chargers for cell phones and MP3 players are using energy when plugged in – even if they aren’t charging a thing!

Fellow scout David Godwin also of Troop 1978 is planning to continue along this vein with his Eagle Scout project by possibly collecting data about whole house usage, comparing different square footage, as well as a typical teenager’s use of

electricity and report on the effect small modifications of use can affect consumption. He’ll be displaying his findings at this year’s 5th Annual Green Expo on April 18, 2013 at the Town of Vienna Community Center.

We invite you to attend and discover how you can make small changes that lead to savings on your electricity consumption and bill. In addition, the monitors can be checked out from the Town of Vienna Community Center between 8 am to 4:30 pm, Monday through Friday. A refundable deposit is required. Please call Parks and Recreation at (703) 255-6360 for more information.

THIS MONTH IN HISTORY

From the Vienna Newsletter Archives

February 2003: At its February 3 meeting, the Town Council will hold a public hearing on proposed amendments to the Town's Chesapeake Bay Preservation Areas ordinance. Local governments in Virginia are required to change their Chesapeake Bay protection program no later than March 1. Revisions to the regulations include refining the definition of perennial streams, how these water bodies are determined and the intent to preserve the entirety of the required 100-foot wide buffer that adjoins them.

February 1993: Hunter Mill is now officially the name of Vienna's magisterial district, which was previously known as Centerville District. Fairfax County Supervisor Bob Dix, Jr. had sought the name change to eliminate confusion for residents of Centerville, which is not located in the district. The new name was selected from among dozens of citizen suggestions.

February 1983: The snowstorm of February 10-11 will go down in history as the "Blizzard of '83." It was one of the biggest and costliest storms ever. In all, 2,074.5 man-hours were spent on snow removal. Approximately 300 tons of salt and 300 tons of sand were spread on town streets. The total cost of digging out of the Blizzard of '83 is estimated at \$31,321.88.

February 1973: Vienna's newly adopted street map includes one new road and extensions of several existing roads. The new road will be the much discussed second access road into Vienna's Technology Park. Street extensions include Church Street extended to connect to Pleasant Street, which takes into consideration the possibility of a new Post Office being constructed on Lawyers Road and Church Street and may or may not be required.

MEET YOUR SUPERVISOR Hunter Mill District Supervisor Cathy Hudgins will hold a First Monday session on Mon., Feb. 4, at the Patrick Henry Library, from 1 to 3 pm. You are invited to share any concern you have on any issue directly with Supervisor Hudgins. Walk-ins are welcome, or you can schedule an appointment by calling the Hunter Mill District office at (703) 478-0283. Stay current with Hunter Mill District and Fairfax County news and sign up for the Hunter Mill Highlights, a monthly online newsletter from Supervisor Cathy Hudgins, by sending an email to huntermill@fairfaxcounty.gov.

CHO CHRISTMAS A HUGE SUCCESS!

Thanks to the 143 volunteers who assisted over the two days of the CHO Christmas Store set up and distribution, we were able to provide Christmas for 311 local families (869 people). We were also able to present 110 repaired and shined up bikes to some very happy children. Thanks to everyone in the community for making this possible by giving your time and your generous donations of toys, food and gift cards, and clothing.

TRAIN STATION/ CABOOSE CLOSED

The Train Station and the W&OD Caboose will not be open to the public during the month February.

The next open houses will be on Saturday, March 16, from 1 to 5 pm.
