NO TRASH PICKUP THAT DAY.

Fall Cleanup Begins Oct. 11

The annual Fall Cleanup will begin on Tuesday, October 11, in southeast Vienna. Cleanup crews will then proceed through the southwest, northwest

and northeast sections of town.

During the cleanup, residents may place building materials, furniture, appliances, brush and other items at the curbside for free pickup. Brush and branches should be separated from other discards, and all cleanup items should be kept away from regular trash, fire hydrants, water meters, gas valves and fences.

The amount of time spent by cleanup crews in each section of town will depend on the volume of debris. All residents are asked to have their discards at the curbside on October 11 to ensure pickup. To check on the progress of the cleanup and for more information, residents may call the Public Works Department, 938-8000, ext. 241.

"Heaps of Creeps" Will Haunt 1983 Vienna Halloween Parade

The 1983 Vienna Halloween Parade will step off at 7 p.m. Wednesday, October 26 (rain date October 27). In keeping with the parade theme, "Heaps of Creeps and Hosts of Ghosts," this year's Grand Marshal will be Count Dracula.

The parade will begin at the intersection of Maple Avenue and Branch Road, follow Maple to Courthouse Road, turn left on Courthouse and left again on Locust Street to Waters Field.

Children are invited to walk in the parade in their Halloween costumes. Kids should assemble at 6:30 p.m. in the Plus Foods parking lot on Branch

Road. No advance sign-up is required.

The Halloween Parade is sponsored by the Greater Vienna Chamber of Commerce in cooperation with the Town of Vienna and the Vienna Jaycees. For parade information, call the Chamber of Commerce at 281-1333.

I-66/Nutley St. Interchange Subject of Public Meeting

The Town Council will hold a public meeting on the proposed design of the I-66/Nutley Street interchange on Monday, October 24, at 8 p.m. in Town Hall. Representatives from the Virginia Department of Highways and Transportation (VDH&T) will be present to receive comments and answer questions from interested citizens.

VDH&T held a public hearing last month on the proposal to construct a full cloverleaf interchange at I-66 and Nutley and to widen Nutley from four to six lanes between the town boundary and Lee Highway. This construction is proposed in conjunction with the Vienna Metro Station.

At the VDH&T hearing, Mayor

Charles Robinson and other town residents expressed several concerns about the project, including increased traffic congestion on Nutley Street, the possible cutoff of Dellwood Drive from Nutley and higher noise levels in the areas of Ware Street, Pekay Street and Yeonas Drive. The Mayor also emphasized the need for direct access ramps between I-66 and the Metro station.

All concerned citizens, those who were at the VDH&T hearing as well as those who could not be present then, are encouraged to attend the meeting on October 24. Plans for the proposed project may be reviewed prior to the meeting in the Public Works Department at Town Hall.

State Police Report Vienna Crime Rate Low

The Virginia State Police Uniform Crime Reporting Section has compiled its 1982 Crime in Virginia report. The report reflects the outstanding work of the men and women of the Vienna Police Department.

Among the Northern Virginia jurisdictions of Arlington, Alexandria, Fairfax County, Fairfax City, Falls Church, Herndon and Vienna, last year Vienna had the lowest total number of major crimes and also the lowest crime rate. At the same time, the Town achieved a 30.48% clearance rate (cases closed), the best in the area. The second highest clearance rate was 24.13% in Falls Church.

Five Vienna police officers received promotions last month. They are, left to right, Sgt. Donald H. Hill, new Chief of Police Maj. Zed L. Childress, Deputy Chief Lt. Joseph R. Tavares, Cpl. Johnny T. Prince and Sgt. Jay C. Reed, Jr.

Town Receives Certificate In Financial Reporting

The Town of Vienna has been awarded a Certificate of Conformance in Financial Reporting by the Municipal Finance Officers Association of the United States and Canada for its Comprehensive Annual Financial Report for the fiscal year ending June 30, 1982.

The Certificate of Conformance is the highest form of recognition in the area of governmental accounting and financial reporting. Its attainment represents a significant accomplishment by a municipality and is important as a means of achieving and maintaining a favorable bond rating. This is the fourth consecutive year that Vienna has received the award.

Reports are evaluated by a special review committee composed of finance officers, certified public accountants, educators and other experts in governmental accounting and financial reporting.

Child Fingerprint Programs

Two fingerprinting programs are scheduled this month especially for Vienna area children.

The Vienna Lioness Club, in cooperation with the Vienna Police, will sponsor fingerprinting on Saturday, October 8, from 10 a.m. to 4 p.m. at police headquarters in Town Hall. Parents with children 5 years old and younger are encouraged to participate. McGruff, the crime prevention dog, will be there, and members of Post 1890 Vienna Police Explorers will assist with the activities. There will also be movies and refreshments.

The Vienna Jaycee Women, with the assistance of the Vienna Police, will sponsor Operation Child Find on Sat-

urday, October 15, from 11:30 a.m. to 4 p.m. at Patrick Henry Library. Children of any age may be fingerprinted.

Both programs are free of charge. Completed fingerprint cards are given to the child's parent or guardian and will not be available to the police for criminal investigations. If a child is a runaway or reported missing, the card may be turned over to the police to assist in identification.

Recycling Month

October is Recycling Month in Virginia. Vienna's Aluminum Recycling Center, located on the BP Car Wash property on West Maple Avenue, recently received a much-needed repainting thanks to Boy Scout John Missert of Troop 976.

Aluminum cans and other household aluminum, such as frozen food containers and pie pans, may be dropped off at the recycling center 24 hours a day, seven days a week. Since the center opened in 1980, over 13,000 pounds of aluminum have been recycled, for which the Town has received more than \$3,000. These funds are used for beautification projects in Vienna.

Be resourceful. Recycle.

Snow Shoveling Plan Proposed

The Vienna Parks and Recreation Department plans to establish a snow shoveling program this winter if there is sufficient interest among town residents.

The program will be similar to the current Odd Jobs Bank. Youngsters aged 12 and up may register at the Vienna Community Center, and residents who wish to hire youths to shovel snow may call the Community Center for referrals.

This program will be effective only if enough residents and youngsters respond favorably. Please call Vienna Parks and Recreation at 938-8000, ext. 275, if you are interested in participating.

Broadway Hit

The Vienna Theatre Company will present the current Broadway musical "Joseph and His Amazing Technicolor Coat" at the Vienna Community Center October 22 and 23. Curtain time is 8 p.m. each evening.

The play is a lively adaption of the biblical story of Jacob and his 12 sons, focusing on Joseph's sojourn in Egypt.

Tickets are \$5 per person. A 20% discount will be given to groups of 20 or more. For reservations and more information about this production and the Vienna Theatre Company, call the Vienna Parks and Recreation Department at 938-8000, ext. 277.

VVFD Open House

Vienna area residents are invited to visit with the Vienna Volunteer Fire Department members and Fairfax County career staff during Fire Prevention Week, October 9-15.

The week will conclude with an Open House on Saturday, October 15, from 9 a.m. to 4 p.m. at the fire station, 400 Center St., S. There will be exhibits, demonstrations, prizes, free favors and refreshments.
