All performances are at the Vienna Community Center.

It's 1934, and Shakespeare's most famous fairies, Oberon and Puck, have magically materialized on the Warner Bros. Hollywood set of Max Reinhardt's *A Midsummer Night's Dream*. Instantly smitten by the glitz and glamour of show biz, the two are ushered onto the silver screen to play (who else?) themselves. With a little help from a feisty flower, blonde bombshells, movie moguls, and arrogant "asses" are tossed into loopy love triangles, with raucous results. The mischievous magic of moviedom sparkles in this hilarious comic romp.

MOUTH AND THROAT TONING FOR BETTER SLEEP

Toning the mouth and throat muscles can dial down the volume of your snoring, thereby improving the quality of your sleep. Recent research indicates that exercising these muscles can even reduce the severity of obstructive sleep apnea. These exercises can be helpful when used alone or in conjunction with CPAP or other interventions. Even if you do not have apnea and are not snoring, these exercises may improve your sleep quality and help subtly sculpt your chin and cheek areas for a better appearance. Presented by Charles Masarsky, D.C. Vienna Chiropractic Associates.
