## Introducing Vienna Connect!

It's easier than ever to report non-emergency concerns to the Town of Vienna through a new mobile phone app called Vienna Connect! The new app allows residents to report everything from potholes to downed trees and more, quickly and efficiently.

"The functionality of Vienna Connect is more intuitive than the previous platform we were using for service requests," said Information Technology Director Tony Mull, who managed the project. "It also enables residents to upload a supporting photo, if they wish."

Vienna Connect is available for download for both Android and iPhones. You can also access Vienna Connect from a traditional computer via the Town website. Just log on to [www.viennava.gov](http://www.viennava.gov), click on the "report a problem" button on the homepage and start reporting.

While those who report a problem can expect email responses, residents can also check the status of their request via the app. Remember: Vienna Connect is for non-emergency issues that do not require an immediate response. The reports are monitored on weekdays during regular business hours, 8 a.m.–4:30 p.m., and those who report a problem can expect a response by the next business day.

If you need immediate police, fire or emergency medical assistance, please call 911.

For water and sewer emergencies, such as water main breaks or sewer backups, or for other non-emergency requests requiring police response, such as animal control, noise or parking complaints, fender-benders and lost property, please call the Vienna Police non-emergency number: 703-255-6366. 📞

The advertisement features a blue background with a circular logo at the top center containing a house icon and the year 1890. Below the logo, the text "Vienna Connect" is written in large white letters, with "Town of Vienna, Virginia" underneath. A smartphone is shown in the center, displaying the app's interface with a "2" at the top and a "Report an Issue" button. To the right of the phone, a list of reportable concerns is provided, and the website [www.viennava.gov](http://www.viennava.gov) is listed at the bottom right.

Use Vienna Connect to Report concerns:

- Streets and Sidewalks
- Trash and Debris
- Water Main Breaks
- Zoning Code Complaint
- Construction Site Complaints
- Dead Animal Pickup
- and More...

## Starting a New Chapter in Library History

The new and improved Patrick Henry Library is slowly, but surely becoming a reality.

After a presentation about the desegregation of Northern Virginia Libraries, residents got to see architectural concepts of what the new Patrick Henry Library will look like at the Liberty Amendments Month “Liberty and Libraries” event in July.

The library will remain at its current location at the corner of Center Street, S and Maple Ave., E, but the new version will be a third bigger than the current building. It will house more meeting spaces, reading nooks for kids and adults, ample parking thanks to a new parking garage, and a welcoming outdoor plaza designed with small gatherings in mind. Construction on the two-year project is expected to begin in fall 2024.

## See You Next Year!

**T**hat's a wrap for the third annual Liberty Amendments Month, and what an inspiring way to celebrate our common bonds! This year's celebration from June 17-July 17 featured education, inspiration, and family-friendly events and activities to commemorate the 13th, 14th, 15th and 19th Amendments to the U.S. Constitution, which granted full citizenship rights to people who were previously excluded from the Constitution.

The month-long celebration began with the Juneteenth celebration at First Baptist Church, where U.S. Senator Mark Warner of Virginia and George Mason University President Gregory Washington delivered inspiring speeches. Following that event, community members continued to come together for weekly educational events, a lively Independence Day celebration, and a globe-spanning Multicultural Festival that closed out the month with live music and family-friendly activities.

Many of this year's events were recorded and can be seen online via the Town's YouTube channel. While you're there, be sure to view our "Liberty Minutes," short video segments highlighting local history.

This year's series was presented by the Town of Vienna, Fairfax County government and numerous community organizations, businesses, and churches. We'll see you again next year! 🍷

## **Bike Safe Vienna**

**W**hether you’re cycling for fun, fitness, heading to work, or running errands, the Town’s Bicycle Advisory Committee (BAC) encourages you to bike safely and be aware of the laws related to bicycling. Did you know that, in Virginia, every person riding a bicycle has the same rights and duties applicable to the driver of a motor vehicle? Additionally, the Vienna Virginia Code of Ordinances, Chapter 21, titled “Vienna Bikeway Plan” outlines supplemental regulations for cyclists, including:

- **Helmets** – Cyclists who are age 14 and younger are required to wear an approved helmet. The BAC strongly recommends every cyclist, regardless of age, wear a helmet.
- **Lights and Reflectors** – Every bicycle, when in use between sunset and sunrise, is required to be equipped with a lamp on the front that emits a white light visible for 500 feet in clear weather, and a red reflector or tail light (emitting either a flashing or steady beam) on the back of the bicycle.
- **Signal Device** – Every bicycle is required to be equipped with a horn or bell capable of giving an audible signal for a distance of at least 100 feet.
- **Bikes on Sidewalks** – Children younger than 11 may ride a bicycle on any sidewalk. Bicyclists of any age may ride on sidewalks wherever it is hazardous to ride in the roadway. Cyclists riding on sidewalks must yield to pedestrians.
- **Earbuds/ Earphones** – It is unlawful for any person to operate a bicycle while using earbuds/earphones on or in both ears.

To learn more about the laws and regulations pertaining to bicycling in Town, Fairfax County, and the Commonwealth, you can search the Code of Virginia Title 46.2 and the Vienna Virginia Code of Ordinances, Chapter 21. 📌

## Fall - The Perfect Season for Planting Trees

by Scott Diffenderfer, Town of Vienna Urban Arborist

It may seem strange (it feels strange) to be talking about fall anything right now but if you have the urge to plant a tree, fall is the perfect time to plant. August is the perfect time to plan on what you want to plant. Some of you may be thinking; “But Scott! Why is fall a better time to plant trees?” I say, “Good question!” There are many benefits to fall planting and kudos to you for deciding to plant a tree this fall.

**Cooler Temperatures:** If you plant trees after the hot and dry weather is behind us, the trees will perform better. They won’t

need as much water as they would need in hotter months, and they won’t need to be watered as frequently.

**Better Planting Conditions:** In fall weather, the soil is less prone to dry out due to transpiration and evaporation, and the roots actively grow at this time, so moisture is important for plant and tree health.

**Better Chance for Survival:** By planting in the fall, the tree has the entire time from planting until the following season (when it gets hot and dry) to acclimate to its new location. The roots will establish in that time, providing a much better opportunity for water and nutrient uptake in the next year’s growing season.

Often, I am asked what the best time to plant a tree is and I usually say 5 or 10 years ago, or whenever you plant the tree. But if you can plant a tree in the fall, the chances for success are typically greater than in any other season.

## General Election Ballot Includes Mayor and Town Council Races

The 2023 Vienna Mayor and Town Council election will be on the November General Election ballot this year for the first time ever. Also new this year – all seats will be on the ballot, rather than staggered, two-year terms in past May election cycles. The election-cycle change took place when the 2021 Virginia General Assembly passed a law that requires municipal elections to be held in November. The filing deadline has passed, and Mayor Colbert faces no opposition. Eight Town Council candidates are running to fill six seats.

Here is the 2023 slate of candidates:

### Mayor:

## “Word from Juan”

### Don't Get Scammed by Alleged Police!

**H**ave you recently received a phone call from someone claiming to be from the Town of Vienna Police Department? If so, please be aware scammers are currently targeting residents by falsely claiming they have missed a court date or jury duty. These scammers use unregistered phone numbers and caller IDs with masking/spoofing technology to make it appear as if the call is coming from our local police department. They often request store gift cards, pre-paid debit cards, or money orders for court costs and fines. Please know that the Vienna Police Department will never call a resident asking for money or any other compensation for any reason.

If you have received a jury duty summons and need to confirm its validity, you can contact the Fairfax County Circuit Court Jury Duty Clerk at 703-246-7816 and press 0. If you believe you have missed a court date, you can contact the Fairfax County General District Court at 703-246-3764 to check the status of your case. If you suspect scammers have targeted you, please report the incident to the Town of Vienna Police Department at our non-emergency number 703-255-6366. 📞

**Juan Vazquez** is the Vienna Police Department Public Information Officer. He conducts community outreach and public safety programs for area schools and community groups. To contact him, email [Juan.Vazquez@viennava.gov](mailto:Juan.Vazquez@viennava.gov) or call 703-255-7845.
