

## Previous Announcements and Updates

**May 16, 2024**

**Vienna Community Center**

**6 - 8 p.m.**

Join us for an interactive community meeting to introduce the park planning process and walk through activities and small group discussions to understand the community's perspective on what works well and what can be improved for parks and recreation in the Town of Vienna.

We will also open the Master Plan survey to the entire Vienna community in May. This will help ensure every voice can be heard throughout all plan phases. Keep an eye on this project website for the online community survey launch. A survey link will also be made available in the June issue of Vienna Voice and through the Town's social media channels.

**March 27, 2024:** Our first community survey for the parks and recreation master plan is on its way to randomly selected residents. If you're among the recipients, please return the completed survey by mail or utilize the provided link to submit your responses online. Don't fret if you haven't received one! A digital survey will be accessible soon, ensuring every voice counts. Your feedback is instrumental in shaping **Our Plan to Play!**

**June 10, 2024**

**Town Council Work Session, 7:00 P.M.**

**Vienna Police Department Community Room, 215 Center St. South**

Join us to learn about the progress made on the Master Plan project from February through May. This session aims to provide a comprehensive overview of the recent activities completed, discuss the upcoming benchmark analysis, outline the next steps and timelines, and highlight high-level findings.

**Town Council Work Session**  
**December 9, 2024**  
**Vienna Community Center**  
**Time: 6-8 p.m.**

Join us for a Town Council Work Session to learn about progress and findings from developing the future Vienna Parks & Recreation Master Plan: **Our Plan to Play**. This session compiles and presents information from community surveys, engagement, and stakeholder sessions along with benchmarking against other agencies and best practices from the Parks & Recreation industry. It will form a foundation for final recommendations in Spring 2025. Let's build the future together!
