## Town of Vienna Public Works Day Set for May 15

All aboard for fun with Town of Vienna's Public Works Day, Thursday, May 15, from 2-6 p.m. at the Northside Property Yard, 600 Mill St., NE, Vienna. This year's open house features big trucks, public safety displays, a drawing for kids, children's activities, giveaways, snacks and more. Kids and kids at heart can climb aboard some of the Town's big trucks, tour Town facilities, and get an up-close look at the heavy machines, vehicles and equipment used for everything from trash removal to public safety.

Attendees can meet and talk to Vienna Public Works Department employees who serve the community day and night in all kinds of weather, picking up trash, repairing streets and sidewalks, collecting leaves, plowing snow, and providing other essential services, such as water and sewer line repair.

The community event is held in conjunction with National Public Works Week. For more information, call 703-255-6380. To learn more about the Town's Public Works Department and Town services, visit [www.viennava.gov/publicworks](http://www.viennava.gov/publicworks).
