

## This Month in History

from the Vienna Newsletter archives

DECEMBER 1997 – The Town Council has taken a unanimous position in strong opposition to a proposed increase in the commercial space allowance at Virginia Center from 650,000 to 850,000 square feet. According to the Fairfax County staff report, this expansion would increase overall daily traffic by 25% and peak hour traffic by 21%. The impact would be felt on streets throughout Vienna's southwest quadrant.

DECEMBER 1987 – The Town Council has approved civil penalties for certain violations of the zoning code, which will make it easier for the zoning inspectors to enforce the law by allowing them to issue tickets for violations rather than going through more lengthy legal procedures. The person receiving the ticket may choose to pay the fine or stand trial.

DECEMBER 1977 – Town Manager C. Clay Harrell stated, "In the judgment of this office and that of the Chief of Police, juvenile vandalism is the most serious problem faced by the Vienna Police Department. During the first 10 months of this calendar year the estimated repair or replacement cost resulting from reported cases of vandalism is approximately \$23,000."

## Order Mulch Beginning Dec. 1

The Public Works Department will take orders December 1-February 29 for mulch to be delivered free of charge to town residents beginning in mid-January. To place your order, call the "Mulch Line" recording, 703-255-6388, and leave your name, address, daytime phone number, type of mulch desired (wood or leaf) and the number of loads to be delivered. One load is estimated to be about the size of a VW Beetle, or 2-2.5 cubic yards. Half loads are available on request.

*Please note the following important conditions:*

- All mulch deliveries are based on availability of mulch.
- Mulch deliveries will be placed only in the driveway at the end closest to the house.
- Once mulch is delivered, it becomes the property of the homeowner and the Town will not remove any excess mulch ordered.

Residents may pick up mulch themselves in any amount between the hours of 9:30 a.m. and 3:30 p.m. Monday through Friday (except holidays) from January 2 through March 30. The mulch is stored on Town-owned property off Beulah Road near Glyndon Park. Look for the sign, "Free Leaf Mulch & Wood Mulch."

## TOWN OF VIENNA

### In Case of Emergency

As a service to town residents, the Vienna Police Department and the Vienna Volunteer Fire Department maintain an **EMERGENCY NOTIFICATION REGISTRY**, to facilitate prompt and proper contact with next-of-kin or other designated persons in the event of an emergency, and an **INCLEMENT WEATHER REGISTRY**, for residents with special needs such as the elderly, disabled, and those with serious medical problems. In the event of severe weather that causes widespread power outages or hazardous road conditions, a telephone check on the welfare of participants will be made and temporary shelter provided if necessary.

Residents can sign up for either one or both of these programs on one form; see pages 5 and 6. Residents currently registered must complete a new form, since the files are purged annually.

### Leaf Collection Ending

The last pass through town by leaf collection crews is scheduled for November 28-December 14 in south Vienna and December 15-22 on the north side of town. **TO ENSURE PICKUP, ALL LEAVES MUST BE AT THE CURBSIDE PRIOR TO THE FIRST SCHEDULED COLLECTION DAY FOR YOUR AREA. ONCE YOUR STREET HAS BEEN COVERED, CREWS WILL NOT DOUBLE BACK.** For more information, call the Public Works Department at 703-255-6381.

## Names in the News

**Officer Kenny Smith** has been named Police Officer of the Year by the **Vienna Woman's Club**. The award has been given by the club to an outstanding member of the Town's police force each year since 1967. Officer Smith is a three-year veteran of the Police Department who has attended several classes to further his skills in interdicting drugs and has made several key arrests in his commitment to keep drugs off the streets of Vienna.

**Craig Burns**, pastor of the **Vienna Assembly of God**, recently celebrated 20 years of ministry at the church. Rev. Burns is known for his work on behalf of humanitarian causes worldwide, his involvement with Vienna youth sports, and his long-distance running.

## Please Shovel Snow If Possible

Residents who are physically able are requested to shovel snow from sidewalks next to their property for the safety of pedestrians, especially schoolchildren. Although some jurisdictions in our area have adopted ordinances requiring residents to shovel sidewalks, the Town of Vienna has no such requirement, mainly because it would impose a hardship on elderly and disabled residents.

Vienna area teens are available to shovel snow and help with other odd jobs. The teen and the person needing the work decide on the amount to be paid for the service. Teens can sign up at the Community Center, and residents can call 703-255-6360 to be matched with a young worker.

Town businesses that hire snowplows to clear their parking lots should make sure that snow is not piled onto adjoining sidewalks or pushed into the street. Also, it is illegal to block handicapped parking spaces with snow.

The Town/Business Liaison Committee (T/BLC) presents snow removal awards to businesses and residents that do an excellent job in removing snow from their driveways and/or sidewalks, or help others in removing snow. Awards are presented at Town Council meetings. To make a nomination or for more information, e-mail [tblc@ci.vienna.va.us](mailto:tblc@ci.vienna.va.us) or call the Planning and Zoning Department at 703-255-6341.

## Call 811 Before You Dig

Planning a home improvement job? Planting a tree? Installing a fence or deck? WAIT! Here's what you need to know first: Whether you are planning to do it yourself or hire a professional, smart digging means calling 811 before each job.

811 is the new FCC-designated national number created to eliminate the confusion of multiple "Call Before You Dig" numbers across the country. The service connects callers with local One Call Centers that notify the appropriate local utilities to send crews to the requested site to mark the approximate location of underground lines for free.

Homeowners often make risky assumptions about whether or not they should get their utility lines marked, but every digging job requires a call – even small projects like planting trees and shrubs. The depth of utility lines varies and there may be multiple utility lines in a common area. Digging without calling can disrupt service to an entire neighborhood, harm you and those around you, and potentially result in fines and repair costs.

Call 811 at least two full business days (excluding weekends and holidays) before you wish to begin work. For more information, visit [www.call811.com](http://www.call811.com).

## Solicitors, Peddlers Must Have Permit

A solicitor is defined as anyone who goes from door to door taking orders for merchandise such as magazines, or services such as home improvements, to be delivered at some future date, or requesting donations for a charitable purpose. Solicitors are required to obtain a license from the Town and to show it on request. They are also required to wear a badge containing the words "Licensed Solicitor."

A peddler is defined as anyone who carries goods such as candy or firewood from door to door for sale and immediate delivery. Peddlers are required to pay a license tax to the Town and must display the license on their vehicles.

The Town Manager may grant exemptions from licensing requirements to non-profit groups such as schools, churches and service organizations. If an exemption has been granted, it will be on file at Town Hall.

Residents who suspect that a solicitor or peddler is operating under fraudulent pretenses or that he may be "casing" the neighborhood for burglary targets should call the Police Department's non-emergency number, 703-255-6366.

## Comment from the Council Table

### The Greening of Vienna

By Daniel M. Dellinger  
Vienna Town Councilman

Is Vienna ahead or behind the curve when it comes to recycling and being environmentally responsible? We are hearing more about our need to be responsible with regard to our environment and the effect our everyday life has on our planet.

Some blame this summer's drought on global warming, and we are continually hearing that we are stripping away our natural resources by being environmentally irresponsible. Is it true? Are we all part of the problem? We all contribute, but is it enough to make a difference? I do believe it's not too late for our environment if we change our approach, put more effort into the greening initiatives, and work together to solve this problem.

Most of us have made adjustments since this summer to combat the shortage of water and the rising cost of fuel. Whatever adjustments you made were the first steps in the greening process. The conservation of water and fuels is an important step in being environmentally responsible.

As a community I think we are aware of the importance of being responsible citizens, and we are being proactive in our approach to solving this problem. The Town of Vienna exceeds the current standards set by the state for recycling, but we all realize we can do better.

The Town purchased a hybrid car this past year and is currently evaluating its performance and the possibility of adding additional vehicles as the vehicle replacement process takes its course. In addition, the Council has asked our state legislators to push several initiatives that would give local governments the ability to set more environmentally friendly standards.

There are many things all of us can do to assist in this endeavor, and maybe many are already ahead of the curve. Items such as switching to compact fluorescent light bulbs, reprogramming your thermostat, plugging air leaks in your house, buying local products, planting trees, and banking online, to mention only a few, are impor-

## Change a Light, Change the World

"Change a Light, Change the World" is a national campaign to promote the small step of changing a light bulb as a way to protect the environment and preserve energy resources.

According to the U.S. Department of Energy, replacing a 100-watt incandescent light bulb with a 32-watt compact fluorescent bulb saves at least \$30 in energy costs over the life of the bulb and gives the same brightness. If every American home replaced one light with an energy efficient one, enough energy would be saved each year to light 3 million homes and prevent greenhouse gases equivalent to the emissions of more than 800,000 cars.

The Change a Light, Change the World campaign is sponsored by the U.S. Environmental Protection Agency, U.S. Department of Energy and U.S. Department of Housing and Urban Development. For more information on how to protect the environment, visit [www.epa.gov/epahome/athome.htm](http://www.epa.gov/epahome/athome.htm).

## Recycle Motor Oil, Antifreeze, Batteries

The next quarterly recycling day for used motor oil, antifreeze and car batteries is Saturday, December 1, from 8 a.m. to 2 p.m. at Northside Property Yard, 600 Mill St., N.E. (entrance at the dead end of the street). This service of the Public Works Department provides citizens a convenient and environmentally responsible way to dispose of vehicle waste products. For more information, call 703-255-6381.

Councilman Dellinger

tant steps we can all take to be part of the solution. The items I listed are easy things to do and when added together help make a positive impact on our environment and in addition are cost savings to you. By doing the right thing, conserving, you assist in making our town and our planet a better and healthier place for our children and families.

## Vienna Police Helping Santa

Again this year, the Vienna Police Department is participating in "Santa's Ride for Children" to benefit children who are hospitalized or in need. The ride is sponsored by the Fairfax County Police Department's Motor Squad and also includes participants from the County Sheriff's Department and the Virginia State Police.

Vienna residents can support this program by bringing donations of new toys, games, books and other gifts to the Vienna Police Department, 215 Center St., S., by December 11. Cash donations are also welcome.

Santa is scheduled to arrive in Vienna, escorted by his squad of motorcycle elves, to pick up the donations on Wednesday, December 12.

## Nominate a Business for Community Service Award

The Vienna Town/Business Liaison Committee's annual Community Service Award recognizes town businesses that demonstrate a commitment to the community through cooperation and sharing.

Award-winning contributions may be personal, in-kind, or financial and may benefit town residents, other businesses, non-profit organizations, the town government, or the community at large. Examples include shared parking or other physical resources, beautification projects, and support for youth sports teams and cultural groups.

To nominate a business or individual business owner, the following information should be submitted:

- Name, address and phone number of nominee;
- Description of the contribution/action to be considered and why (200 words or less);
- Name, address and phone number of person making the nomination.

Only in-town Vienna businesses are eligible for the award, and nominations must be received by January 30 to be considered. Send nominations to: Town/Business Liaison Committee, c/o Julie Morris, Vienna Town Hall, 127 Center St., S., Vienna, VA 22180. Nominations marked "TBLC Award" may also be faxed, 703-255-5729, or e-mailed, [jmorris@viennava.gov](mailto:jmorris@viennava.gov).

The Town/Business Liaison Committee is recruiting citizen members.

Application forms are available in the Town Clerk's office at Town Hall and also at [www.viennava.gov/town\\_government/standardapplication.pdf](http://www.viennava.gov/town_government/standardapplication.pdf).

For more information, call TBLC chairman Bill Harrison at 703-255-5820.

## Dog Owners Must Clean Up After Pets

The Town of Vienna has a "pooper scooper" ordinance that requires dog owners to clean up after their pets when out for a walk. Please be a responsible pet owner and don't leave dog waste on the lawns of neighbors or next to curbs, mailboxes, fire hydrants or elsewhere. Use a "doggie bag" and take the waste away with you. Your neighbors also ask that you not deposit dog waste in their trash cans, which can result in a very unpleasant surprise.

*Tip: The plastic sleeves used on newspapers make excellent pooper scoopers!*

Signs are posted in several Town parks to remind pet owners that dogs are not allowed on athletic fields, tennis and basketball courts, playgrounds, and picnic areas because of the nuisance and potential health hazard to park users. The Town Animal Warden is authorized to fine pet owners found in violation of the law.

Any substance that goes into a storm drain goes directly into a local stream and eventually makes its way into the Chesapeake Bay. Dumped into a storm drain or left on the ground to run off with the next rain, animal waste contains bacteria that are harmful to the environment.

## Dog Tag Reminder

Town of Vienna licenses are required for all dogs four months of age or older and must be renewed by January 31 each year. Dog tags are available in the Finance Department at Town Hall, by mail, and online at [www.viennava.gov/Town\\_Regulations/licdog.pdf](http://www.viennava.gov/Town_Regulations/licdog.pdf). The fee is \$10 for a fertile dog and \$5 for an infertile dog. A current rabies vaccination certificate is required to obtain a license, and a spay/neuter/infertile certificate is required for a reduced price license. Call 703-255-6323 for more information.

Dogs trained and serving as guide dogs for the blind, hearing dogs for the deaf or hearing impaired, and service dogs for the mobility impaired must be licensed but are exempt from the license tax.

Cats must be inoculated against rabies but are not required to be licensed.

## Walk Smart, Drive Smart

Drive with care. Walk with caution. That's the message the Town of Vienna wants all residents and visitors to remember as they make their way around our community. Here are a few tips to make your travels safer:

**Pedestrians:** When crossing Maple Avenue, go to the marked crosswalk and push the button. The pedestrian crossing system will not activate unless the button is pushed. (Please note: The pedestrian signal buttons should be activated with only one push. Repeated pushing will not speed up the set timing of the traffic signal and it can damage the signal mechanism.) Wait on the sidewalk. Look both ways to ensure safety and cross with the pedestrian signal. The pedestrian signal does not turn green until left-turn traffic has been stopped; therefore, there is a delay on the pedestrian signal. You have ample time to cross. If you approach the intersection once the flashing hand symbol is activated, do not enter the crosswalk. Push the button and wait for the next cycle. Where there is no signal, cross only at intersections or marked crosswalks. Pedestrians need to be especially cautious whenever they enter the roadway. Even when you are in marked or unmarked crosswalks, you must still exercise due care for your own safety, even though drivers are legally required to yield to you.

**Drivers:** Please drive with care. A red light means stop! Obey speed limits. Increase your awareness of walkers. Visibility is worse at night so proceed with even more care. Expect the unexpected and remember to watch out for children. The pedestrian has the right-of-way over a vehicle making turns into the roadway. There has been some confusion about pedestrians having the right of way. According to Virginia State Law 46.2-924, "No pedestrian shall enter or cross an intersection in disregard of approaching traffic. The drivers of vehicles entering, crossing, or turning at intersections shall change their course, slow down, or stop if necessary to permit pedestrians to cross such intersections safely and expeditiously." Failure to yield to pedestrians in crosswalks is punishable by a fine of \$100 to \$500.

## Emergency Notification/ Inclement Weather Program Registration Form on Next Page

December 2007

**TO: Residents of the Town of Vienna**

**FROM: Robert A. Carlisle – Chief, Vienna Police Department  
Jeff Gray – Chief, Vienna Volunteer Fire Department**

The Town of Vienna Police Department and the Vienna Volunteer Fire Department are continuing with the Emergency/Inclement Weather Notifications Registry. In the event of severe weather, emergency, widespread power outages or hazardous road conditions, a "check on the welfare" telephone call list will be activated and, if needed, a temporary emergency shelter will be opened and kept in operation either until the Fairfax County Disaster Operations Center can open a shelter or until the situation resolves itself. Additionally it can provide the police with additional numbers in the event they need to contact someone regarding an emergency event.

This program was designed in response to the severe ice storm that struck the town during the winter of 1998-99 and is directed at citizens who have special needs, such as the elderly, the physically challenged and individuals with severe medical conditions. The purpose of the program is twofold: first, in the event of severe weather to provide a point of contact to check on the status of each individual on the list, and second, if needed, to provide a temporary shelter location until the power has been restored, a longer-term shelter is opened or the weather and road conditions improve.

To register for this program, all that is required is that you fill out the form on the following page, check one or both choices and return it to the Vienna Police Department, 215 Center St., S., Vienna, VA 22180. **RESIDENTS CURRENTLY REGISTERED MUST ALSO COMPLETE A NEW FORM TO REMAIN IN THE PROGRAM SINCE THE FILES ARE PURGED ANNUALLY.**

For more information, contact MPO Bill Murray, Vienna Police Community Relations Officer, 703-255-6396, [wmurray@viennava.gov](mailto:wmurray@viennava.gov), or the Vienna Volunteer Fire Department, 703-938-2678.
